General Post-Office,
Hongkong, September 9, 1868. sep18

POST OFFICE NOTIFICATION.
1.—On the 1st October next, and thenceforward Money Orders will be issued at this Office and at the Agencies thereof at Shanghai and Yokohama on all the Money Order Offices in the United Kingdom of Great Britain and Ireland, for amounts not exceeding £100 at the rate of Exchange Current for each Mail, and charged with Commission according to the following Scale, viz.:

For sums not exceeding £25, 12
Above £25 and not exceeding £50, 24
" 50 " 100, 42
" 100 " 200, 60
" 200 " 500, 84
" 500 " 1000, 108

2.—No Money Order to include a fractional part of a Penny.

3.—Orders drawn in the United Kingdom upon Hongkong, Shanghai, and Yokohama, will be paid at the rate of Exchange at which Money Orders are being issued at the time of their presentation.

4.—Alphabetical Lists of over 3,700 Money Order Offices in the United Kingdom, showing the Counties in which they are situated, are hung up for public reference at this Office, and also at Shanghai and Yokohama.

5.—Applicants for Money Orders must furnish, in full, the surname and, at least, the initial of one Christian name, both of the Remitter and the Payee; if the Remitter or Payee be a Peer or a Bishop, his ordinary title will be sufficient; if a firm, the usual designation of such firm, such as "Baring Brothers," will suffice; but the mere term Messrs., such as "Messrs. Barington," or the name of a Company trading under a title which does not consist of the names of the persons composing it, such as "Cheong Chee Yee," is inadmissible.

6.—The Remitter on stating that the Order is to be paid only through a Bank, to have the option of giving or withdrawing the name of the Payee; in such case, the Order will be crossed in the same way that Cheques are commonly crossed when they are intended to be paid through a Bank.

7.—When an Order is presented through a Bank, a receipt by any person will be sufficient provided the Order be crossed with the name of the receiving Bank, and be presented by some Person known to be in the employ of such Bank.

8.—The signature of the Payee of a Money Order to be affixed to the Order in the place provided for the purpose. If the Payee be unable to write he must sign the receipt by making his mark in the presence of a Witness, who must sign his name, with his address in the presence of the Officer who pays the Order.

9.—Should the Payee of a Money Order desire to receive payment in the Country in which the Order was issued, at some other Office than that in which the Order was originally drawn, the transfer will be granted, provided the Order be inclosed to the Postmaster of the Office in which it was drawn. In such case a new Order will be issued, the Commission chargeable upon which will be deducted from the amount of the new Order.

10.—In the event of a Money Order mislaid or being lost, a duplicate will be granted on a written application from the Payee, (containing the necessary particulars, and accompanied by an additional Commission) to the Office where the Original Order was payable.

11.—On the receipt of a similar application, orders will be given to stop payment of a Money Order, or to renew a Lapsed Order. The additional Commission on the last case will be deducted from the amount of the new Order. Lapsed Orders must be presented with the application for a new Order.

12.—But when it is desired that any error in the name of the Remitter or Payee should be corrected or that the amount of a Money Order should be repaid to the

Post-Office Notifications.

Remitter, or that a Lapsed Order should be renewed for payment in the Country in which the Order was originally drawn, application must be made to the Chief Money Order Office of such Country. This application must be accompanied by a reference to a Lapsed Order, in which case the Commission will be deducted from the amount of the New Order.

13.—Repayment whether of an original, or renewed, or a duplicate Order, will not be made to the remitter until it has been ascertained that the advice has been cancelled at the Office on which the Order was originally drawn.

14.—Payment of an Order must be obtained before the end of the Sixth Calendar Month after that in which it was drawn; for instance, if drawn in January, payment must be obtained before the end of July, otherwise the Order will become lapsed, and a new Order (for which a second Commission, to be deducted from the amount of the Order, will be charged) will become necessary.

15.—If an Order be not paid before the end of the Twelfth Calendar Month after that in which it was drawn, for instance, if drawn in January and not paid before the end of the following January—all claim to the Money will be forfeited, unless, under peculiar circumstances, the Post Office of the Country in which the Order was drawn think proper to allow it.

16.—After once paying a Money Order by whomsoever presented, the paying Office will not be liable to any further claim. If a wrong payment, however, be made owing to negligence on the part of any Officer of the Post Office, the Postmaster General of the Country or Colony in which the negligence occurs will, if he see fit, require the Officer to make good the loss.

17.—No Money Order will be paid unless the advice has been previously received.

18.—Additional Rules for greater security against fraud, and for the better working of the system generally will be made as occasion may require.

19.—Should it appear that Money Orders are used by mercantile men, or others, either in the United Kingdom or at Hongkong, Shanghai or Yokohama, for the transmission of large sums of money, the British or Colonial Post Office, as the case may be, will consider the propriety of increasing the Commission, and will exercise the power of wholly suspending for a time the issue of Money Orders.

HOLLOWAY'S PILLS & OINTMENT.
HOLLOWAY'S PILLS.
THIS Medicine is universally admitted to be the most efficacious remedy known to the world. No preparation is so suitable to the climates of India and China as this fine and invigorating medicine. It is particularly adapted to the constitution of European ladies, as it is never failing in its effects in all diseases peculiar to females, while those who are attenuated by the debilitating effects of the above diseases will find in this wonderful remedy a kind of talisman whereby they may insure a restoration to robust health.

HOLLOWAY'S OINTMENT.
The science of Medicine has never before produced any remedy that can be compared to this wonderful Ointment, as it cures after all other means have failed, all wounds, sores, ulcers, and also the most inveterate skin diseases peculiar to the climates of India and China. It is the true friend of the Soldier and Civilian, as certain old sores can be removed by it that cannot be conquered by any other treatment.
